

Dear Friends:

On behalf of the members of the **Natural State Brass Band**, we welcome you to this Summer Concert of what has become an exciting addition to the Arkansas music scene. This band is comprised of thirty-seven of the finest brass and percussion musicians in the area who volunteer their time, talents, and resources in presenting these concerts.

As a new organization, our needs are many as we develop our music library and purchase instruments. We therefore hope that you will consider providing your tax deductible financial support for this organization. It is your generosity that enables us to exist and excel. A very special thank you to Immanuel Baptist Church for allowing the use of their facilities for rehearsals and today's concert and thank you again for joining us this afternoon. We hope to see you again soon.

FALL CONCERT

Immanuel Baptist Church

Natural State Brass Band

Greetings and welcome to the fall concert of the Natural State Brass Band. We are honored that you have chosen to spend part of your day with us. We will present for you today a very wide range of literature. From organ transcriptions and ragtime arrangements to hymn tunes that we have known all of our lives. You will hear a march from Australia, a traditional tune from Scotland, a number one hit from the Beatles and much more in between. In choosing the program today, we have tried to demonstrate the wide range of colors and textures that the brass band is capable of producing.

If this is your first time to hear us, we hope that you like what you hear and will come again. For everyone else, thank you for your continuing support. We hope to see you all again at our November 14th concert.
